Your

**SPIRITUAL
DNA**

Is Perfect

"IT'S ALL IN AWARENESS"

There is a marvellous inner world that exists within man, and the revelation of such a world enables man to do, to attain and achieve anything he desires within the bounds or limits of Nature.

Your **S**piritual DNA is **P**erfect

...it requires no Modification or Improvement

...it is All Knowing

...it is All Powerful

...it is Ever Present

...it is The Real You

Are you truly what or who you pretend to be?

As We Start To
UNDERSTAND
The LAWS That Govern
The Growth Of The Acorn,
We Will Then
UNDERSTAND
How We Grow.

"THE LAWS ARE EXACT"

The Law of your being is perpetual increase, progress, and growth, so, when one good is realized another desire for a greater good will develop; and when a higher state is reached, another and more glorious state will unfold your vision will urge you on and on. Hence, the advancing life is the true life, the life that God intended you to live.

THE LAW OF COMPENSATION

The Law Of Compensation Clearly States...

The amount of money you earn will
always be in exact ratio to...

1. The **NEED** for what you do.

2. Your **ABILITY** to do it.

3. The **DIFFICULTY** there will

2. Your ABILITY to do it.

The Law of Perpetual Transmutation

Energy is in a constant state of transmission and transmutation, from a higher to a lower vibration.

Energy moves into form, through form and back into form.

The Man and the statement that changed Napoleon Hill's World

Andrew Carnegie

“Any idea that is held in the mind, that is emphasized, that is either feared or revered, will begin at once to clothe itself in the most convenient and appropriate form available”

The Law of Relativity

Nothing is good or bad, big or small...until you RELATE it to something.

The proper use of this LAW will make any situation look better.

The Law of Polarity

**Everything is on a continuum
and has an opposite that is
both equal and opposite. Up,
Down. Hot, cold. Good, bad.**

The Law of Rhythm

**Everything is moving to and fro,
flowing in and out, swinging high
and low, forward and
backward. These rhythms establish
seasons, cycles, stages of
development, and patterns.**

The Law of Cause and Effect

Nothing happens by chance or accident. Every cause has an effect; every effect has a cause. Sowing and reaping.

The Law of Gender

The law of gender manifests in all things as masculine and feminine. It is this law that governs what we know as creation. This law also decrees that every seed has a gestation or incubation period before it manifests.

The Law of Vibration

Everything vibrates; nothing rests. Everything we see and everything we don't see has its own vibrational frequency. Conscious awareness of vibration is referred to as *feeling*.

believe

EVERYTHING IS POSSIBLE FOR HIM WHO BELIEVES

Our Belief system is based on our evaluation of something...
frequently when we re-evaluate a situation our Belief
about that situation will change.

The moment your belief matches with any state you fuse with it, and this union results in the activation and projection of its plots, plans, conditions and circumstances.

This new state of conscious awareness becomes your home from which you view the world.

It is your workshop, and, if you are observant, you will see outer reality shaping itself upon the model of your imagination.

When you move onto
a higher frequency
you will be communicating
with a world totally
foreign to, and beyond
the reach of your five senses.

Progress Of This Nature Is An Expression Of Higher Levels Of Awareness.

B-Type Goal

You Think You Can Do It

A-Type Goal

You Know How To Do It

To move to a considerably higher Frequency of thought you must first consent, and then adapt to the ideas and feelings the New Frequency represents.

At the suggestion of a move your Paradigm will instantly put up a Royal Battle ...and it will continually fight you. You must take Conscious Control over the Paradigm, remove and replace it.
